## I.C.T

- use technology purposefully to create, organise, store, manipulate and retrieve digital content

- recognise common uses of information technology beyond school

- use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.

use technology safely, respectfully and responsibly; recognise acceptable/unacceptable behaviour; identify a range of ways to report concerns about content and contact.

## English

- plan their writing by: identifying the audience for and purpose of the writing, selecting the appropriate form and using other similar writing as models for their own

- draft and write by: selecting appropriate grammar and vocabulary, understanding how such choices can change and enhance meaning

- using further organisational and presentational devices to structure text and to guide the reader [for example, headings, bullet points, underlining]
