

# Re-opening of the Whole School for parents

# When will your child return to school?

All children will return to school on **Monday 8th March**.  
Nursery children will resume normal hours.

# Returning to school...

## Things to do with your child

Start getting your child back into their school routine... think bedtimes!

If your child is worried about anything about returning, explain to them that there will be people in school they can talk to and let us know on the first day.

Talk to your child about school and explain what will be different.

# Dropping off your child in the morning...

## Nothing has changed!

Y4, 5, 6 - 8:30am

Y1, 2, 3 - 8:45am

EYFS - 8:45am

## Breakfast club is back!

We will be restarting our Breakfast club at 7:45am. If you need a space, please contact the school office.

SLT and our Pastoral Team will be on the playground everyday should you have any worries.

# Collecting your child at hometime...

**Slight change!**  
 Please collect your children at the oldest child's hometime.  
 Y4, 5, 6 - 3:10pm  
 Y1, 2, 3 - 3:00pm  
 EYFS - 2:45pm

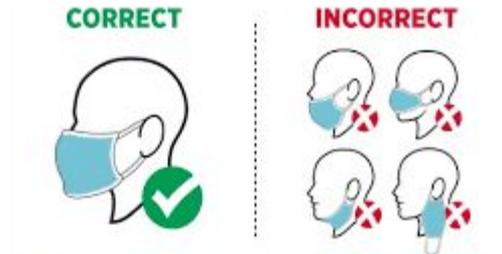

**Slight change!**  
 We will be contacting our larger families who we will be offering alternate pick up times to. This may be different to families who were offered before Christmas.

SLT and our Pastoral Team will be on the playground everyday should you have any worries.

**We ask all parents to please wear a mask  
whenever on the school site.**

Staff will ask you to put one on if you are not wearing one.

# Playtimes... Nothing New!

Each class will be given their own zone to play in.

There will be a limited amount of equipment for them to use.

Snack Trolley is back but in the class!

You can send your child with their own snack if you wish.

EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
	Continuous provision	1:30 - 1:45 B/C	10:30 - 10:40 B/C	10:45 - 10:55 B/C	11:00 - 11:10 B/C	11:15 - 11:25 B/C

\*alternate days for MUGA

# Lunchtime... Nothing New!

Lunchtimes will be very similar to playtimes, with each class having their own zone to play inside with limited equipment.

Y1 11:30 - 12:30	11:30 PE Hall	12:00 C + Y1
Y2 11:30 - 12:30	11:30 Main Hall	12:00 B+grass A?
EYFS 12:00 - 13:00	12:00 PE Hall	12:30 A + Rec
Y3 12:00 - 13:00	12:00 Main Hall	12:30 B + C
Y4 12:30 - 13:30	12:30 Main Hall	13:00 C+grass
Y5 13:00 - 14:00	13:00 A+B	13:30 Main Hall
Y6 13:00 - 14:00	13:00 Main Hall	13:00 B + C

Children will have 30 minutes in the hall to eat and then 30 minutes outside to play.

\*alternate days for MUGA

# Google Classroom... Will it still be used?

Short answer - yes.

- If a bubble should need to isolate, the Classroom will 'switch on' and their learning will continue there whilst they are at home.
- A device will be offered to every child who needs one to ensure they can access learning at home.

# Social distancing...

## How will it work in school?

Each child will have a pencil case containing all of their resources so that they don't have to share. Please do not send them in with their own.

Most children will be sat facing the front. Children may move seats for different lessons. We will clean down all tables and chairs beforehand.

Corridors are marked with 2m lines and marking on playground to help lining up.

Children will stay within their bubbles and not mix with another bubble.

# Social distancing...

## How will it work with adults?

Only one parent/family will be allowed in the front entrance at any time.

Please wait outside if there is already somebody inside.

If a question can be asked to our admin team over the phone, please ring up instead of coming in.

Only one parent/carer will be able drop off/pick up children.

This is to avoid having large groups of people on the playground.

# Hygiene... Nothing new!

Regular hand washing is crucial throughout the school day. Time must be allotted for this to happen.

Soap and hot water should be used to wash hands wherever necessary.

Staff will wash their hands at similar timings - approximately six times a day.

# Hygiene... Nothing new!

Children should be encouraged to wash hands:

- upon arrival at school
- before/after going to the toilet
- before/after eating
- before/after playtimes
- before moving seats in class

Antibacterial hand gel will also be available in all classrooms and at fixed points at main entrances. These should be used by all staff, children and any visiting people as they enter the premises.

# Cleaning... Nothing New!

All staff will be asked to maintain a regular  
*'clean as you go'*  
strategy in their relevant  
working spaces  
throughout the day.

A comprehensive site  
clean will be completed at  
the end of every day as  
well as regular day time  
cleans.

Every member of staff has  
completed COSHH  
Management training.

Each classroom, staffroom  
and office space will be  
stocked with a blue  
'hygiene box' containing  
relevant cleaning supplies.

# Symptoms and Isolating... Nothing New!

Any child or adult within a bubble who begins to show symptoms **must** be taken to the isolation room immediately - outside is the best place to go.

Children will be accompanied by an adult who is wearing PPE and parents will be contacted straight away.

All children and adults within that bubble must self isolate for 10 days or until that child is tested. A negative test will mean that the bubble can return to school the next working day.

We can support you with booking tests, if you need help let us know.

If somebody in your house is symptomatic, please contact school to let us know.

# First aid... Nothing New!

Each room will have a green first aid box in their room.

Boxes will contain:

- PPE
- Plasters
- Wipes
- Bandages
- Instant ice packs
- Folder to record
- Medication of children

Trained first aiders, including pediatrics, on site daily.

Where appropriate, children will be supported to tend to their own needs e.g. wipes, plasters.

**When a child shows symptoms staff must wear PPE while with them.**

# Personal Intimate Care...

## How will this be done safely?

Every effort should be made to **avoid** intimate care. However this could be unavoidable.

Parents/carers will be called immediately if this happens, to collect their child.

Soiled clothes will be bagged up using PPE and given to the parents upon collection. First aid boxes may contain change of clothes if child does not have any.

**If you have any questions or worries, please contact school to discuss them.**
