

To login on a laptop or computer:

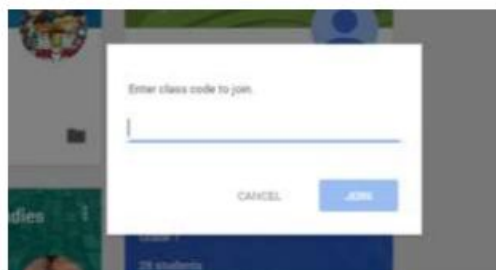

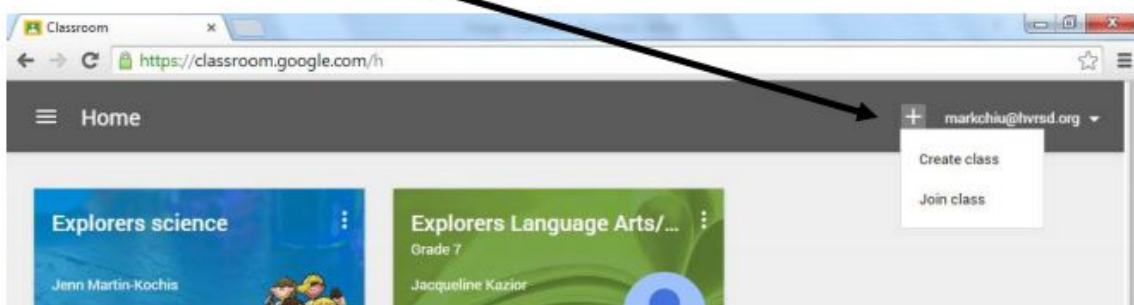

1. Open up a web browser and sign into Google using your chandos email account.

2. Click the waffle (9 dots) and look for Google Classroom. If this is not in the waffle, search for Google Classroom in Google. You should automatically be logged into your Google account, if not, relog in.

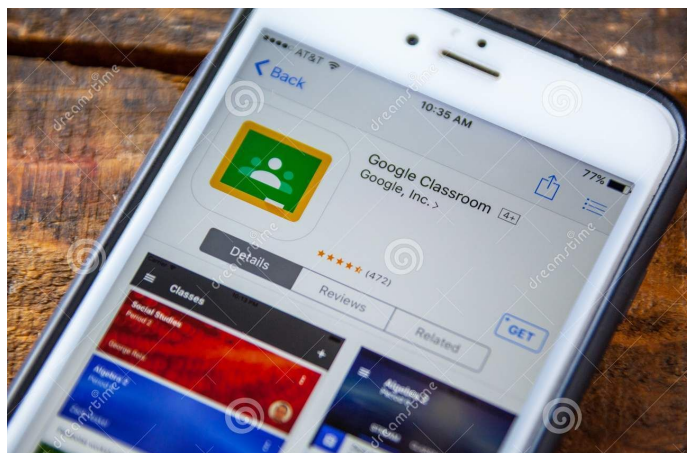

3. Once you have logged in you should see a screen like this. You may already have access to the classrooms but if not, you must click on the + symbol and then join class. You will then need to type in the code for the classroom you wish to join.

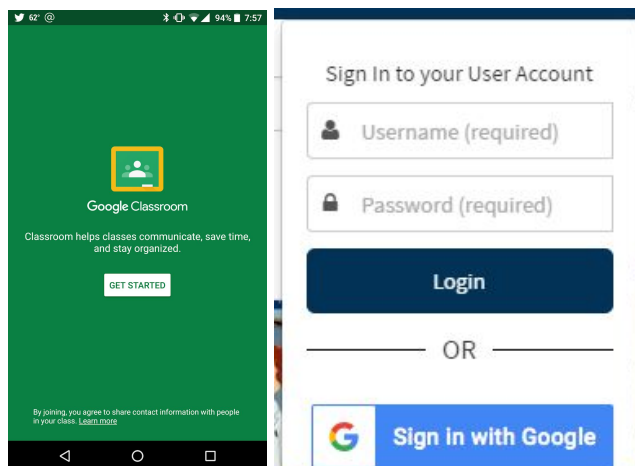

To login on a tablet of phone:

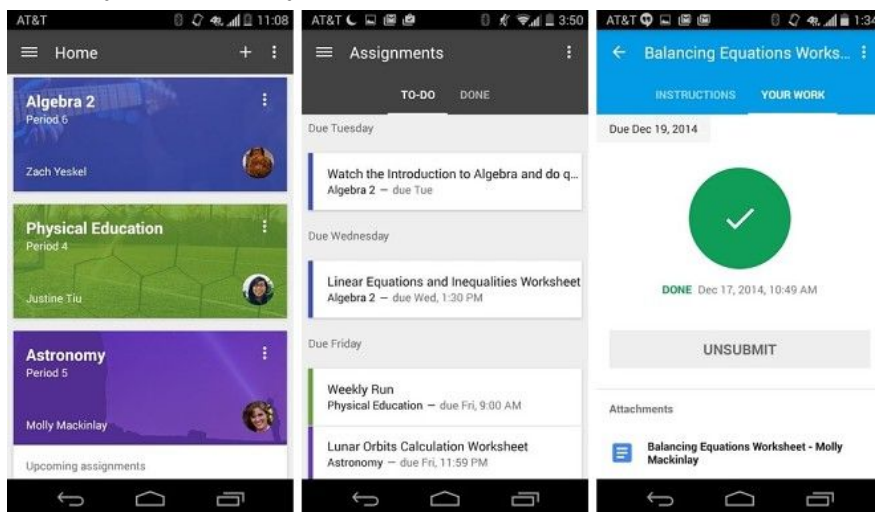

1. Go to the app store and search for Google Classroom. Download the app - it will be free.

2. Open the app on your device and you will be asked to login. Do this using your school account. You may then be taken to RM Unify - you will need to use your school login details again.

3. You should now see any classrooms that you are already signed up to and any work that you have to complete. Make sure you submit any

4. If you have none there, click the + and enter the classroom code you wish to join.
