

Google Classroom

Google classroom is a new way of working and staying connected to your teachers. You are expected to log in daily as your teachers will set fun challenges and activities for you to complete. You can send messages to your class and teachers and you can upload pictures of your completed activities. Happy learning!!!

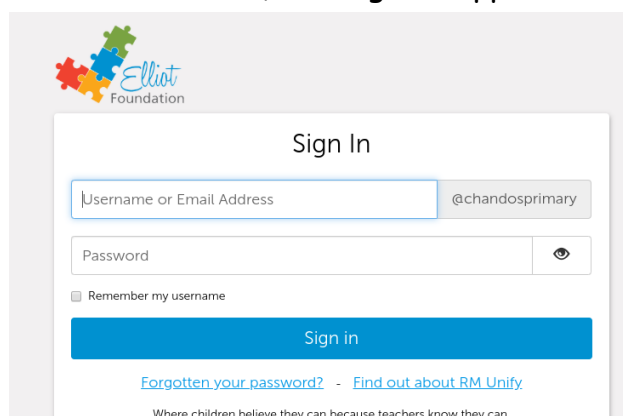

How to set-up Google Classroom

1. Open Google and type in: chandosprimary.rmunify.com

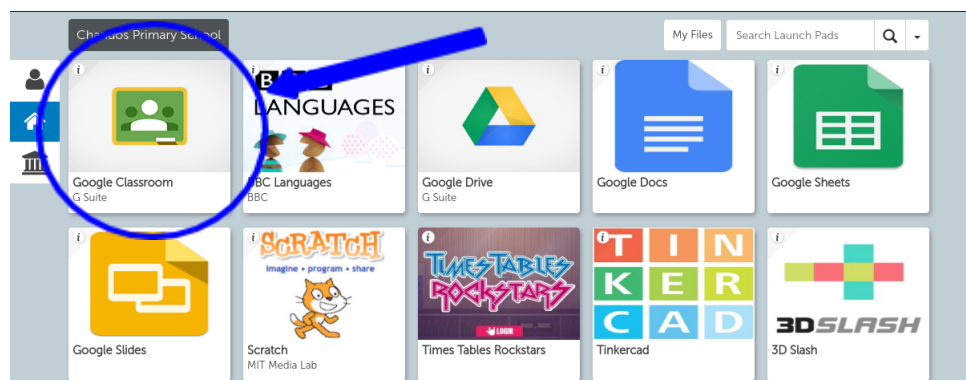

Search Google or type a URL

2. Type in your child's username (found on the thin strip of paper in your letter). The username will either be a four digit number or a two digit number followed by your child's initial and surname.
Your password is: **Chandos1** (If using the app our class code is: vxv27hp)

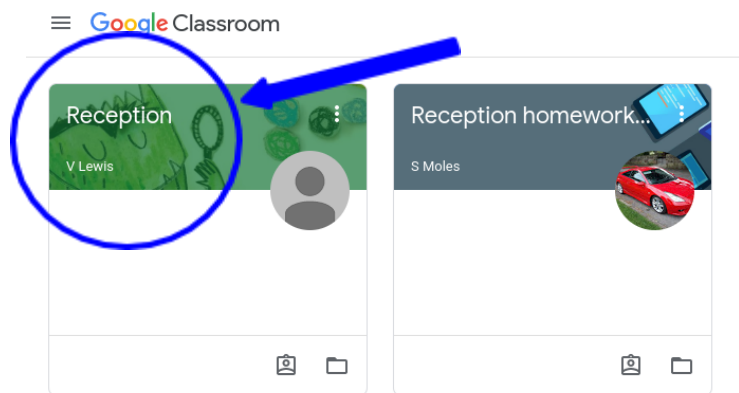

3. Click on the Google Classroom.

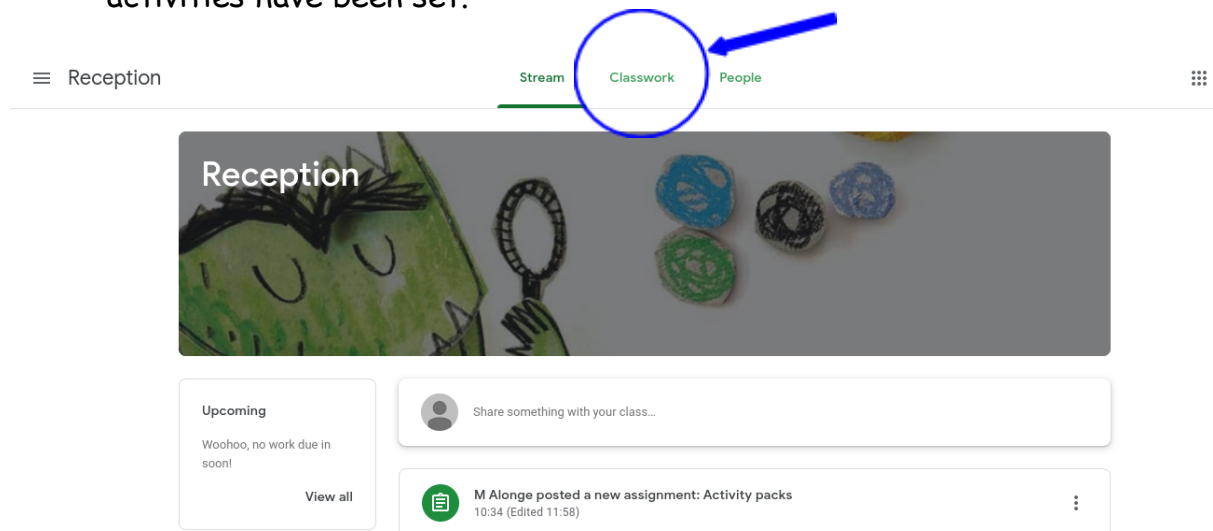

Step-by-step guide for Reception March 2020

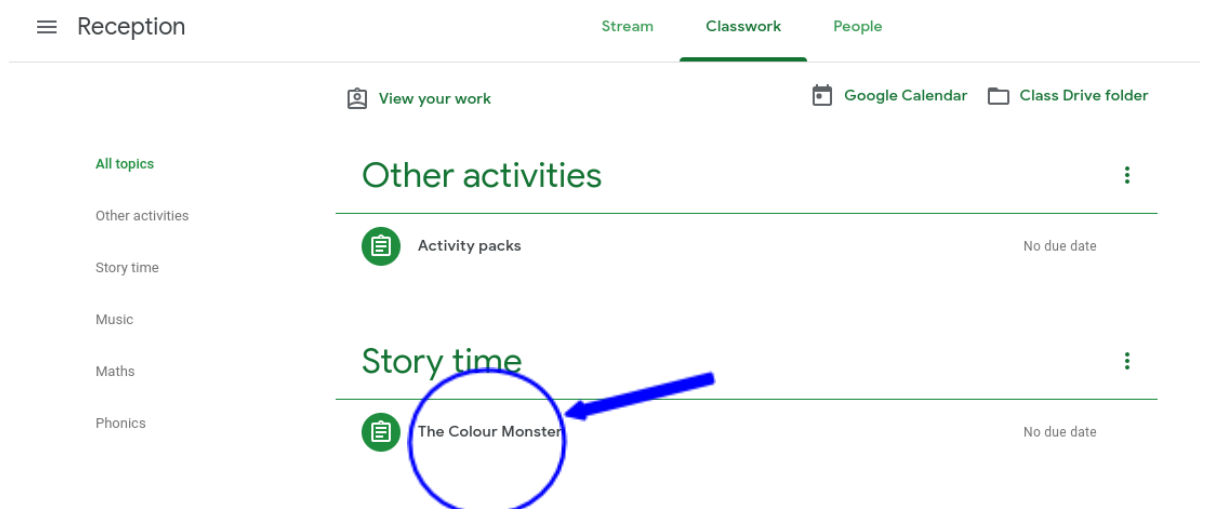

4. Click on the 'Reception' classroom.

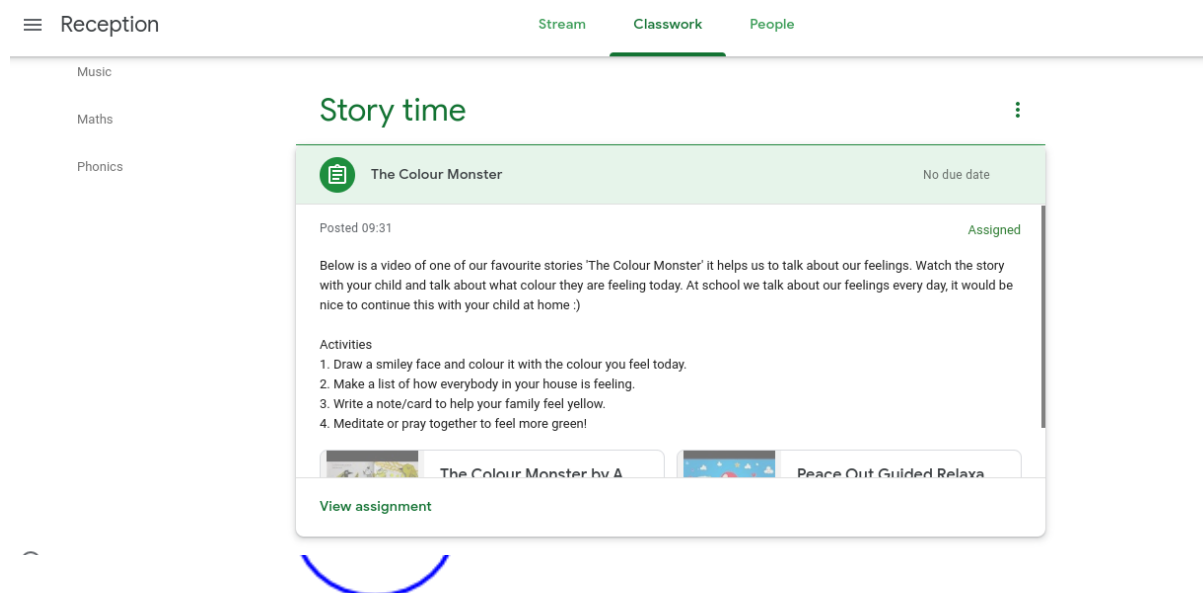

5. Read any new messages on the live stream and then click on the 'Classwork' tab at the top of the page to see what fun challenges and activities have been set.

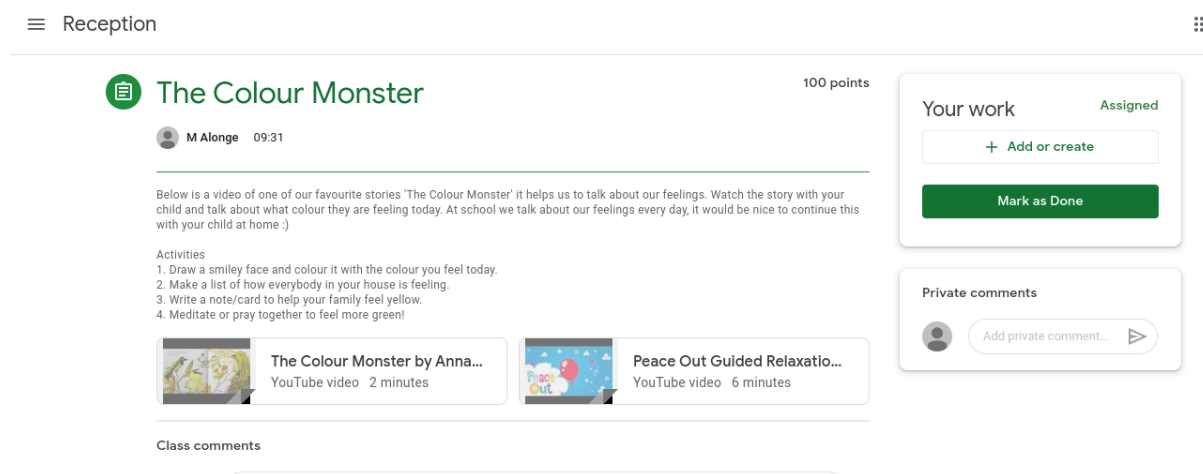

6. Click on one of the activities set by your teacher.

7. Then click on 'view assignment'.

8. Read and complete the activities. You may have to click on videos or documents attached.

9. You can add photos of your work/activity by clicking on the '+ Add or create' tab and uploading photos. Or you could leave a comment. When you have finished please click on the 'Mark as Done' button.
